It Is Written

After Je-sus was bap-tized the Spir-it took Him
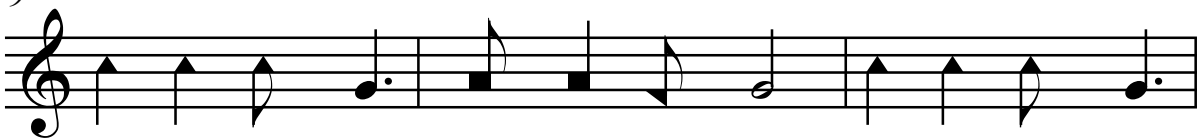

far a-way. He drove Him to the wil-der-ness, He

stayed there for-ty days. That's when Sa-tan came a-

long with three temp-ta-tions to do wrong. But

Je-sus had the answer. We sing it in this song.

It is writ-ten. Have ye not read? It is writ-ten.

That's what Je-sus said. So when Sa-tan tries to

tempt you and wants you to do wrong. Say

it is written and watch him turn and run.
