

This visual was used with other visuals that taught prayers in the Bible. Images of a praying person were shown each with one “yes,” one “no,” and one “wait” word bubble. As the story was discussed, students were guided to choose God’s answer to that specific prayer, and the correct bubble was placed on the God Answers Prayer page.

Print the God answers prayer page on white, the yes bubbles on green, the no bubbles on red, and the wait bubbles on yellow.

GOD

answers prayer!
